From: Lorna Deckert, Department President
To: Auxiliary Members
Regarding: THE PRESIDENT'S CLUB

Our organization needs your help to raise funds for the Department General Fund. Due to the current economy and raising operational costs and even though we are constantly looking into ways of cutting expenses while maintaining the high level of support provided by the Department Office to its member, Units and Districts, we must reach out and find ways to increase the level of funding for this account.

The President's Ways and Means Project is being established to specifically raise funds for the Department General Fund which supports all of the administrative costs associated with the operation of our Department office. 100% of all funds donated except 3-5% to cover costs to administer this Project will be credited to the General Fund. Membership in this club is open, but not limited to, all members, Units and Districts of the American Legion Auxiliary, Department of Washington. Donations are tax deductible under Section 501(c) (19) of the Internal Revenue Service Code.

Your \$25 donation to The President's Ways and Means Project not only enables you to become a member but you will be making a tremendous difference in the effectiveness of our organization and help us to continue to provide the up most service to our veterans and their families.

Joining is easy, simply fill out the enclosed application, order form (enclosure 1), make a check payable to the A.L.A., Department of WA and earmark it "The President's Club" and mail both to the Department office as listed above. Membership entitles you to a very special Italian Charm Symbolic of the President's Theme and a special recognition by the Department President. Additionally, you may want to order the Italian charm bracelet and some very special charms that are available from the Department Office. See enclosure (2) for pricing and ordering form.

I want to personally thank each and every one of you for your continued support for all of our wonderful programs and specifically any support you can give to this request will be deeply appreciated and will make a tremendous difference in the operation of our Department.

Yours in Service

Lorna Deckert, Department President
